THE CROCKETT FOUNDATION AND COMMUNITY PARTNERS SHARE GOODWILL AND COMMUNITY SERVICE TO THE HOMELESS FOR THANKSGIVING

(Professional Athletes and Friends Feed the Homeless for Thanksgiving)

Retired NFL Players **Henri Crockett** (*Minnesota Vikings*) and his Brother **Zach Crockett** (*Oakland Raiders*) have joined in partnership with **Saint Laurence Chapel Caring for the Homeless** and **Alpha Kappa Alpha Sorority, Incorporated Zeta Rho Omega Chapter Ivy Youth Group**, and other professional athletes from the Pompano Beach area to provide dinners for over 100 homeless citizens in the Pompano Beach area.

Henri and Zack both natives of Pompano Beach, and graduates of Ely High School and Florida State University founded the Crockett Foundation several years ago to assist students with educational mentoring, and providing academic scholarships to the students that succeeded against the odds.

Henri, President and Chief Operating Officer of the foundation, has expanded the organizations focus to include improving the health and wellness of Broward County citizens. As part of this new focus the Crockett Foundation has invited several of their NFL friends to join them on Thanksgiving Day, and share goodwill with citizens who are less fortunate, and will not be joining their families at the dinner table on this special occasion.
